ARTICLE II – MEMBERS

The SSC shall consist of one member from each of the five state wildlife agencies located in the LPC range, one member from the USFWS and up to nine additional members nominated by the LPC Interstate Working Group (IWG). The representative for each of the state and federal agencies will be appointed by their respective agencies. Members nominated and elected by the IWG will serve two-year, renewable terms. Half of the initial nominations will be for one year, to stagger terms. Members will have expertise or experience working in LPC biology or management or wildlife-friendly range management practices. The LPC Program Manager will work with the IWG to assist filling open positions. A minimum of five of the nine possible positions must be filled to meet the objectives of the RWP.
