

# Meet us in Montana!

## 2021 WAFWA/CBMA CONFERENCE

SEPTEMBER 13-16, 2021 ★ BIG SKY, MONTANA

### Keynote Presentations

#### *Us versus Them: Generational Differences in the Workplace*

Generational differences in the workplace is something we all see and navigate. This hysterical and informative keynote presented by Jeff Havens will show us all a simpler way to look at our own generational picture, and learn how to understand, recognize, and resolve generational issues facing today's workforce.

#### *Grizzly Bear Behavior, Ecology, and the Conservation of Wild Bears*

Casey Anderson is an Emmy nominated filmmaker, an adventurer and explorer. He has spent the last three decades traveling the world, capturing nature and wildlife through the camera lens. Casey has been seen on Nat Geo WILD, BBC, PBS, Travel Channel, and the Discovery Channel. He has made it his mission to bring his love of the wild to the hearts of the world, instilling a drive to conserve untamed and untouched wild places.
