Pollinator Partnership

Kelly Bills is Executive Director of Pollinator Partnership. Her focus is on large-scale habitat projects, plant-pollinator interactions, and agricultural and industry engagement. Kelly holds a Master's of Science in Environmental Management (Ecology Concentration) from the University of San Francisco. Kelly is Executive Director of the North American Pollinator Protection Campaign (NAPPC), is on the Board of Directors of Pollinator Partnership Canada, is a member of the USDA NAREEE Pollinator Subcommittee, and serves on the EPA Pesticide Program Dialogue Committee.
