

TAKE FLIGHT 2024

VIRTUAL PARTNERS MEETING

Advancing Western Monarch and
Native Insect Pollinator Conservation

THURSDAY, SEPTEMBER 5, 2024

USFWS Western Monarch Conservation

Samantha Marcum

samantha_Marcum@fws.gov

U.S. Fish and Wildlife Service

Samantha has worked for the U.S. Fish and Wildlife Service for 20 years. She is currently the Habitat Restoration Division Lead for the Pacific Southwest Region. For many years, her work has included a focus on monarch butterfly and pollinator conservation and research. She helped to develop priorities and to write the WAFWA Monarch Butterfly Conservation Plan and was formerly a member of the Western Monarch and Native Insect Pollinator Working Group.
